

Hedgehog card loyalty scheme for kids

The 'Hedgehog Award' scheme, which provides children with a special card to collect a sticker each time they attend our events.

It's easy: simply flick through your Events Guide, go along to some events and collect the stickers. That's it. Look out for this symbol (*picture of the hedgehog symbol*) for the events that are most suited to children and families. Event Leaders will introduce the scheme at the beginning of the event and give out stickers to cardholders.

The scheme operates at three different levels. After collecting four stickers, the child is awarded a certificate and embroidered badge. They are then able to either repeat the Hedgehog Award or 'graduate' to the 'Kestrel Award' (six stickers) and then to the 'Nature Ranger Award' (10 stickers). Certificates and badges will be sent out when cards are completed and returned to the Membership team at Brooklands Farm.

We run loads of fun events and activities for children and families throughout the whole year. These take place all over Dorset and include Easter egg hunts, rockpool rambles and minibeast adventures.
