

Codicil

The Will is the real centrepiece of all estate planning and it is crucial that it is legally valid to ensure that your assets Will be distributed according to your exact wishes. Gifts in a Will truly reflect your values and beliefs.

If you already have a Will, you do not need to rewrite it to include a bequest. Ask your solicitor or legal adviser about the simple process of adding a codicil to your Will.

You have the power to give future generations the opportunity to experience nature, wildlife and a healthy environment. You don't need deep pockets to make an impact.

With nearly 60 years of conservation experience, Dorset wildlife Trust know what it takes to manage land, rivers and sea for the benefit of wildlife and people.

If you would like to include Dorset Wildlife Trust in your existing Will, please complete this codicil and keep it with your Will. We know that this is a private matter, but if you would like to let us know your plans, we'd love to thank you.
