

Thinking about your Will?

The Free Will Service brings together a group of well-respected solicitors in Dorset to offer members of Dorset Wildlife Trust (DWT) the opportunity to have their Wills written or updated.

As the summer ends, the leaves change colour and it makes us all aware that time appears to move more quickly as each year passes. Though some people find Wills unsettling, writing or reviewing your Will is one of those matters that we all need to address.

A Will gives you peace of mind, knowing that your affairs are in order and your wishes will be carried out. You can then be assured that you have provided for those you care for.

An up-to-date Will written by a solicitor ensures your wishes are respected. It also avoids difficult decisions and legal complications for your loved ones. The Free Will Service allows you to provide for family and friends.

The next Free Will Service will run during October 2019

Here's the important information about the Free Will Service...

Your chosen solicitor will waive their usual fee and invite you to make a donation to Dorset Wildlife Trust, though this isn't compulsory, and you can give as much or as little as you like.

What do I need to do?

- Please choose from our list of participating solicitors.
- Download our Free Will Service registration form and return to the email or postal address below.
- Download your Personal Free Will Planner and take it with you to your chosen solicitors.
- If you would like to add a gift to Dorset Wildlife Trust to your existing Will, you can easily do so by using a codicil.
- To do this you will need to provide your membership number located on your membership card. If you have lost or misplaced your card, we are able to provide these details on request.

All we ask is for you to consider remembering Dorset Wildlife Trust in your Will. However, there is no obligation to do so. We very much hope you'll use the opportunity of using the Free Will Service not only to save money but also to have the chance to support Dorset Wildlife Trust with your final gift.

If you care about your beautiful county, please support Dorset Wildlife Trust. You may be surprised that it does not take a lot to make a difference. As little as 1% can really help.
